Ebenezer Aboriginal Corporation is a service of the Balga Evangelical Aboriginal Church and has been providing accommodation and support for at-risk youth for over 55 years.

Recently we have expanded our services and now provide a range of support to clients that includes an Indigenous employment program, in-home support for Indigenous families, working with justice, and family dispute resolutions for Indigenous families.

‘Ebenezer’ means
“thus far the Lord has helped us”.

COMMUNITY AND FAMILY SERVICES

EBENEZER
ABORIGINAL CORPORATION

3 Exhibition Drive, Malaga, WA 6090

DANJOO MIA (HOME TOGETHER) EMERGENCY & TRANSITIONAL ACCOMMODATION

Ebenezer staff provide culturally safe and secure services for Aboriginal and non-Aboriginal youth needing accommodation. We run three homes in the North Metro area; a three-month crisis facility for young women (15-25yrs) and separate two-year transitional housing for young men and women (17-25yrs). Each home provides support with client life skills.

DRUG & ALCOHOL EDUCATION SUPPORT SERVICES (DESS)

The primary role of the DESS worker is to work on site with young people currently in residence and where capacity allows, be engaged with AOD education and support outreach activities across other locations and services within Ebenezer.

FAMILY SUPPORT

Through Wungening Moort and Target 120 we provide family support for at risk children and adolescents. Both provide a culturally responsive and integrated service that works to empower families to make the changes they need to keep their children safe at home and in the community.

MEN SUPPORTING MEN

A supportive program to strengthen men's relationship skills and reduce behaviours that negatively effect relationships. We support men in developing healthy, safe and respectful relationships.

L.A.D.S – LEARNING AND DEVELOPING SKILLS & G.E.M.S – GIRLS EMPOWERED THROUGH MENTORING AND SUPPORT

LADS is a supportive program to strengthen young men's (14-18yrs) relationship skills and reduce behaviours that negatively effect relationships.
GEMS aims to empower young women (14-18yrs) through mentoring and skills. We provide a safe space to learn how to maintain healthy relationships based on dignity and self-respect.

FIRST NATIONS FAMILY MEDIATION

Our model of mediation establishes an environment of physical, emotional, spiritual and cultural safety that is client-centred and trauma-informed. We empower and support families towards positive parenting, coordinate care in the best interest of children and aim to ensure resolution of property and financial matters.

YIRRA MAAR (HAND UP) EMPLOYMENT

The Yirra Maar program works exclusively with Aboriginal unemployed adults, many who have connection with the criminal justice system. The program aims to strengthen the capacity of participants to remain free of the criminal justice system and lead to them gaining sustained employment.

JUSTICE REINVESTMENT

The **Kaartdijin Baldja** - Learning Together program supports students and families transitioning from primary school to high school.
The justice reinvestment prison program, **Moorditj Me**, provides social-emotional wellbeing supports and mentoring for pre and post release clients.

CULTURAL AWARENESS TRAINING

From awareness to sensitivity to safety to competence. We offer half day or full day sessions with an experienced Noongar leader.
